

# Core Values

- Core values enliven identity of our college, cultural heritage and commitment to knowledge for personal enhancement and social progress.
- The fundamental core values are upliftment of the society, betterment of humanity, environmental consciousness respect, excellence, compassion, service, hospitality, integrity, diversity and learning for life.
- Excellence is the fundamental core principle.
- Highly qualified, passionate teachers inspire the students.
- They motivate students to put their heart in whatever they do.
- Teachers have produced so many brilliant graduates and make them feel like winners.
- Co-curricular and extra-curricular activities enable the student to get hands on experience in the field they work, make associations with different people and improve the social health.
- The holistic approach to the provision of education is an important element of our college.
- Comprehensive curriculum is the provision of wide range of extra-curricular activities including sports, arts, cultural, literary which are the ingredients to improve confidence, creativity and intellectuality based on the core values through excellence and achievement in scientific temperament, aesthetic sense, integrity, commitment, responsibility and democratic values.
